STANFORD, KY., FRIDAY, NOVEMBER 22, 1907.

NO. 78.

## MIDDLEBURG.

F. L. Jones bought of Riffe & Tucker a small bunch of hogs at 4c. Most of the corn in this section has been cribbed and the crop is good.

The turkey trade is quite lively here. The crop is good and the price is proportionate.

The hounding of Gov. Beckham by Watterson and the Courier Journal will lose that paper a number of subscribers here. Democrats say they will no longer support the paper.

Messmates F. L. Jones and U. S. Tapscott went to Linnie Wednesday to see Mrs. John Gibbons, who is quite sick. Miss Minnie Shannon, of Junction City, and Mrs. I. H. Taylor, of Danville, spent Saturday and Sunday with Mrs. Martha Fogle. Sam Jones started for New Mexico Tuesday to spend the winter for his health. His father accompanied him to Louisville. Prof. D. E. Foglio was at home from Georgetown Sunday. Rev. W. G. Tilford is at Ebanks holding a protracted meeting. The new Methodist pastor, Rev. Hunt, has moved into the parsonage. Dave Allen was here Tuesday. Tom Gooch, of McKinney, is here buying turkeys.

## A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Penny's Drug Store 50¢ and \$1. Trial bottle free.

"A man should think twice before he speaks."

"And a woman three times before she slings." —Harper's Weekly.

A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by all druggists.

He—Pardon me, madam, I didn't see you.

She (distressingly fat)—Oh, my dear monsieur, you are so kind!—Transatlantic Tales.

## In Old Kentucky.

Note.—Kentucky went Republican by something like 17,000.

Oh, Lords and Masters of the Polls, And lovers of tradition, What means the solemn knell that tolls Kentucky's changed position?

What say the spirits of the just, Made good by dissolution Into the dark and bloody dust Of ancient institution?

Shall Bluegrass turn to common green, In all her pastures famous, And erstwhile fat stock, turned to lean, By their condition shame us?

Shall good old Bourbon lose its taste, Its vigor and complexion? By this disastrous, dreadful waste Of oiden-time perfection?

Shall horses that have led the vans Of racers in all races, Fall back among the also-rans, Or strain for second places?

Shall Old Kentucky's women, now, The fairest of creation, To other women's beauty bow And take a lower station?

Shall all her gallant gentlemen By this thick gloom be shaded— Her statesmen seek the hermit's den, Her Colonels be degraded?

Ah, Lord's and Master's of the Polls, By this absurd transition You've shot her glory full of holes And murdered her tradition.

Divided by your votes she fails With crash of falling thunder; Ho, Lord's and Masters of the Polls! You'd better stand from under.

—New York World.

When the stomach, heart or kidney nerves get weak, then these organs always fall. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's restorative. The restorative is prepared expressly for these weak inside nerves.

Strengthen these nerves, build them up with Dr. Shoop's restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis.

Your health is surely worth this simple test. Penny's Drug Store.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proven to be a reliable remedy. We have found that it would do more than the manufacturer claim for it. It is especially good for croup and whooping cough.—Rev. Jas. A. Lewis, pastor Milaca, Minn., M. E. church. Chamberlain's Cough Remedy is sold by all druggists.

### Democratic Ticket.

For United States Senator,  
J. C. W. BECKHAM.

PROMINENT Eastern Democrats have suddenly turned to Senator John Warwick Daniels, of Lynchburg, Va., as a possible Moses to lead the Democracy into the promised land. Colonel Harvey puts Senator Daniel on the front page of Harper's Weekly this week as a presidential possibility of potential power. Senator Daniel is a lifelong Democrat, born in 1842. He was a second lieutenant in the Confederate army, was wounded in the first battle of Manassas, received promotion until he became major and chief of staff of General Early, with whom he served until crippled in the Wilderness May 6, 1864. He studied law and immediately upon entering practice busied himself with politics. From the Virginia Legislature he passed to the National House of Representatives in 1884. He was elected to the United States Senate and took his seat March 4, 1887. He has continually served in the Senate ever since. His term of office does not expire until March 3, 1911. It is notorious that many Democrats believe a candidate should be chosen from the Middle South. In addition to this territorial argument Senator Daniel can have the advantage beyond his boom of long experience and strong ability. What an excellent president he would make.

THE Lexington woman who hoarded her money in a sugar bowl and had it stolen, deserved her bad luck. It would have been much better to have put it into circulation in the regular way or have placed it where many women carry their valuables.

THE State Journal says that Gov. Beckham has over 70 votes in the Legislature and that he will be elected United States Senator on the first ballot. So mote it be.

GOV.-ELECT A. E. WILLSON will dine with President Roosevelt at the White House to-day. The dispatches do not state whether or not Booker W. will be present.

### POLITICAL.

Henry Cosby has resigned as private secretary to Senator McCreary. He will locate at Caldwell, Idaho.

Leading democrats in Delaware are organizing a boom for Judge George Gray for the presidential nomination.

Gov.-elect Willson said in Washington that he did not expect to make any recommendations for Federal appointments.

Judge Lassing's majority was 1,570. This, in view of the fact that the same counties in 1905 gave only 1,230, and in 1904 only 760, is quite remarkable.

Officers of the Kentucky State Guard at a meeting in Frankfort, adopted a code of rules for the regulation of the guard, and also determined not to have soldiers at the inauguration of Augustus E. Willson unless Mr. Willson requests that a guard be provided.

State Treasurer Henry M. Bosworth, who was defeated as the democratic candidate for State auditor, is not worrying himself over the result of the election, says a Lexington dispatch. He says he will simply return to his Fayette county farm and go back to plowing.

The State Board of Election Commissioners met in Frankfort to canvass the returns from the election of Nov. 5, but as four counties had not sent in the official vote, an adjournment was taken until next Monday. A dispute has arisen in one of the mountain judicial districts and the courts will have to decide the question of who is elected.

The democratic sweep in Maryland means that John Walter Smith, a man of great wealth and a former governor, will succeed the late Arthur P. Gorman both as United States Senator and boss of the old Gorman organization. Young Arthur Gorman, who was elected State Senator, and carried Howard county, the home of Gov. Warfield, against him, will be one of Smith's chief lieutenants. Four years from now Gorman will probably be a candidate for United States Senator to succeed Isidor Raynor.

If all the skyscrapers in New York were one on top of the other, a building of 6,553 stories would rear itself toward high heaven. Compared to such a structure the tower of Babel would look like a mushroom. —New York World.

### Here and There.

J. T. Black bought 1,600 turkeys in Mercer at \$1.10c.

Ed McDowell, whose wife filed suit for divorce Monday, committed suicide at Princeton Wednesday.

India rubber trees yield sap for more than 20 years, even though they are tapped every second day.

Ireland maintains nearly 400 egg distributing stations for the purpose of bettering the poultry of the country.

Judge Anderson Crawford, a prominent lawyer, died in the court room at Columbia, S. C., while questioning a witness.

Judge M. C. Saufley, administrator of Judge R. C. Warren, sold to J. H. Baughman & Co. a lot of corn at \$2.50 delivered.

Wreckers derailed a mail train near Doraville, Ga., by throwing it into an open switch. Engineer Askew was badly hurt.

The ferrymen at Rome, O., near Vanceburg, Ky., received notice that he will be blown up if he transfers any tobacco across the river. He will obey the order.

A special venire was ordered summoned from Madison county to try Fult French, John Smith and John Abner, charged with complicity in the murder of J. B. Marcus at Jackson.

On account of the large number of applications for pardons received at the executive office Gov. J. Beckham has issued a proclamation declaring that he will hear no more personal appeals, but will only consider the papers filed with his secretary.

Clarence Sturgeon, the Louisville murderer condemned to death, was granted a further lease on life when the Court of Appeals postponed a decision on the application to dissolve the injunction restraining the sheriff from hanging him, to give the attorneys time to file briefs.

Special Judge Morris, in the Caleb Powers case at Georgetown, dismissed one venire from Harrison county, but overruled the challenge to the other panel, which had been examined and from which five jurors had been selected as qualified. Another venire was ordered from Grant county and on motion of the defendant the sheriff agreed to act in person. A motion that Henry Youtsey and James Howard be taken to Georgetown as witnesses was overruled and the defense took exceptions.

### MATRIMONIAL.

Miss Effie Thurmond, daughter of Mr. and Mrs. O. J. Thurmond, of this city, and Mr. W. H. Haney, a law student from Shepherdsville, were quietly married yesterday afternoon at five thirty by Elder H. C. Garrison, pastor of the bride, at his home on Lexington avenue. The wedding comes as a surprise to the many friends of the young people in this city. Mr. Haney is one of the brightest young men in the law school and has many warm friends among the student body, while the bride is one of Danville's most attractive young women. They left on the six o'clock train for Cincinnati where they will be for a few days and will make their home in this city until Mr. Haney completes his studies. —Advocate.

Tobacco growers, not members of the American Society of Equity, met at Mt. Sterling and adopted resolutions pledging themselves not to raise a crop of tobacco in 1908.

It is estimated that the potato crop will be short 20,000,000 to 30,000,000 bushels and the winter price will be 10 per cent. higher than the highest figure reached in the retail market last winter.

C. C. Van Meter and Carroll Reid will ship to New Orleans Sunday night.

### IN MEMORIAM.

On Sunday morning, Nov. 10, as the East was glowing to greet the rising sun the Death Angel visited the happy home of George O. and Susie Spoonamore and took away their precious little daughter, Margaret Frances. Her stay on earth was so brief, lacking 12 days of being 14 months. The first and only grandchild in the family, she had so entwined her tiny fingers around the hearts of all her relatives that it was so hard to give her up. May the sustaining grace of our Heavenly Father be granted to the bereaved parents.

Dearest Margaret, thou has left us,

And thy loss we deeply feel  
But 'tis God Who hath bereft us,  
He can all our sorrows heal.

Yet again we hope to meet thee

When our days on earth have fled,  
But in heaven with joy we'll greet thee,  
There no farewell tears are shed.

### A FRIEND.

Mrs. Adlai Stevenson, wife of Former Vice President of the United States under Cleveland, in an interview recently expressed herself in decided terms against President Roosevelt's race suicide theories. "Every thoughtful woman in America has been startled by the appeal of President Roosevelt for larger families," says Mrs. Stevenson.

"While this appeal has been most urgent I do not recall that there has been one word in reference to the health or life of the mother, nor has the ability of the mother physically, mentally, morally, spiritually, or financially to rear children been touched upon. The question should not be how many children, but what will be their condition and what kind of citizens will they make."

### Lingering Cold.

Withstood Other Treatment But Quickly Cured By Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very harsh and dry. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by all Druggists.

In so far as the result of the election in Kentucky is due to liquor men's dissatisfaction with the course of the democratic party on the liquor question and throwing of the saloon vote to the republican party, it will prove a barren victory to the republicans. It will hurt the republican party as a national organization and the temporary victory of the republicans because of saloon support, will in Kentucky itself cause shortly the complete overthrow of the republican party in that State.—Hancock, Va., Herald.

### A Reliable Remedy For Croup.

Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Medicine for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it" For sale by all Druggists.

Overcome while speaking before the State Development Convention at the Galt House in Louisville, Dr. J. K. Patterson, president of the State College at Lexington, fell from the speaker's stand and was slightly bruised.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug Law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. G. L. Penny.

The man who seeks office for the public good is apt to consider himself the entire public after he lands.—Chicago News.

### Dancing Proves Fatal.

Many men and women catch colds at dances which terminate in pneumonia and consumption. After exposure, if Foley's Honey and Tar is taken it will break up a cold and no serious results need be feared. Refuse any but the genuine in a yellow package G. L. Penny.

The Alabama Senate passed the Carmichael State Prohibition Bill by a vote of 32 to 2, after an amendment had been inserted putting the time when prohibition shall go into effect as Jan. 1, 1909.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to drugists everywhere as Dr. Shoop's Catarrh Remedy. Sold by Penny's Drug Store.

It will require \$31,641.32 to run the public schools of New York City for the current school year.

Chapped hands are quickly cured by applying Chamberlain's Salve. Price 2c. For sale by all druggists.

### IN MEMORIAM.

On Sunday morning, Nov. 10, as the East was glowing to greet the rising sun the Death Angel visited the happy home of George O. and Susie Spoonamore and took away their precious little daughter, Margaret Frances. Her stay on earth was so brief, lacking 12 days of being 14 months. The first and only grandchild in the family, she had so entwined her tiny fingers around the hearts of all her relatives that it was so hard to give her up. May the sustaining grace of our Heavenly Father be granted to the bereaved parents.

Dearest Margaret, thou has left us,

And thy loss we deeply feel  
But 'tis God Who hath bereft us,  
He can all our sorrows heal.

Yet again we hope to meet thee

When our days on earth have fled,  
But in heaven with joy we'll greet thee,  
There no farewell tears are shed.

### A FRIEND.

Mrs. Adlai Stevenson, wife of Former Vice President of the United States under Cleveland, in an interview recently expressed herself in decided terms against President Roosevelt's race suicide theories. "Every thoughtful woman in America has been startled by the appeal of President Roosevelt for larger families," says Mrs. Stevenson.

"While this appeal has been most urgent I do not recall that there has been one word in reference to the health or life of the mother, nor has the ability of the mother physically, mentally, morally, spiritually, or financially to rear children been touched upon. The question should not be how many children, but what will be their condition and what kind of citizens will they make."
